LETTER FROM THE BOARD

GENERAL MANDATE TO ISSUE SHARES

In order to ensure flexibility and discretion to the Directors, in the event that it becomes desirable to issue any Share, approval is to be sought from the Shareholders, pursuant to the Listing Rules, for a general mandate to issue Shares. At the Annual General Meeting, an ordinary resolution no. 8(A) will be proposed to grant a general mandate to the Directors to exercise the powers of the Company to allot and issue new Shares in the share capital of the Company up to 20 per cent of the aggregate nominal amount of the issued share capital of the Company as at the date of passing of the resolution in relation to such general mandate. In addition, subject to a separate approval of the ordinary resolution no. 8(C), the number of Shares purchased by the Company under ordinary resolution no. 8(B) will also be added to the 20 per cent general mandate as mentioned in the ordinary resolution no. 8(A). The Directors wish to state that they have no immediate plans to issue any new Shares of the Company pursuant to such general mandate.

As at the Latest Practicable Date, the issued share capital of the Company comprised 5,187,657,000 Shares. Subject to the passing of the resolution granting the above general mandate to issue Shares and on the basis that no further Shares are issued or repurchased before the Annual General Meeting, the Company will be allowed to issue a maximum of 1,037,531,400 Shares.

GENERAL MANDATE TO REPURCHASE SHARES

In addition, an ordinary resolution will be proposed to approve the granting of a Proposed Repurchase Mandate to the Directors to exercise the powers of the Company to repurchase Shares representing up to 10 per cent of the aggregate nominal amount of the issued share capital of the Company as at the date of passing of the resolution approving the Proposed Repurchase Mandate.

As at the Latest Practicable Date, the issued share capital of the Company comprised 5,187,657,000 Shares. Assuming that there is no change in the issued share capital of the Company between the period from the Latest Practicable Date and the date of passing the resolution approving the Proposed Repurchase Mandate, the maximum number of Shares which may be repurchased pursuant to the Proposed Repurchase Mandate on the date of passing the resolution approving the Proposed Repurchase Mandate will be 518,765,700 Shares.

An explanatory statement required by the Listing Rules to be sent to the Shareholders in connection with the Proposed Repurchase Mandate is set out in Appendix II to this circular. The following is an explanatory statement required to be sent to the Shareholders under the Listing Rules in connection with the Proposed Repurchase Mandate.

SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 5,187,657,000 Shares of nominal value of HK\$0.02 each. Subject to the passing of the resolution granting the Proposed Repurchase Mandate and on the basis that no further Shares are issued or repurchased before the Annual General Meeting, the Company will be allowed to repurchase a maximum of 518,765,700 Shares which represent 10 per cent of the issued share capital of the Company during the period ending on the earlier of the conclusion of the next annual general meeting of the Company or the date by which the next annual general meeting of the Company is required to be held by any applicable laws or the Articles of Association or the date upon which such authority is revoked or varied by a resolution of the Shareholders in general meeting.

REASONS AND FUNDING OF REPURCHASES

The Directors believe that it is in the best interests of the Company and the Shareholders to seek a general authority from the Shareholders to enable the Company to repurchase its Shares on the Stock Exchange. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or its earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders.

Repurchases of Shares will be financed out of funds legally available for the purpose and in accordance with the Articles of Association, the Listing Rules and the applicable laws and regulations of the Cayman Islands. The Companies Law provides that the amount of capital repaid in connection with a share repurchase may be paid out of the profits of the Company or the proceeds of a fresh issue of Shares made for the purposes of the repurchase or out of capital subject to and in accordance with the Companies Law. The amount of premium payable on repurchase may only be paid out of either the profits of the Company or out of the share premium account before or at the time the Company's Shares are repurchased in the manner provided for in the Companies Law.

The Directors have no present intention to repurchase any Shares and they would only exercise the power to repurchase in circumstances where they consider that the repurchase would be in the best interests of the Company. The Directors consider that if the general mandate to repurchase Shares were to be exercised in full, it will not have a material adverse impact on the working capital and the gearing position of the Company, as compared with the positions disclosed in the audited consolidated financial statements of the Company as at 31 December 2010, being the date to which the latest published audited consolidated financial statements of the Company were made up. The Directors do not propose to exercise the mandate to repurchase Shares to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

GENERAL

To the best of their knowledge, having made all reasonable enquiries, none of the Directors or any of their associates, as defined in the Listing Rules, currently intends to sell any Shares to the Company or its subsidiaries, if the Proposed Repurchase Mandate is exercised.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Proposed Repurchase Mandate in accordance with the Listing Rules, the Articles of Association and the applicable laws of the Cayman Islands.

No connected person, as defined in the Listing Rules, has notified the Company that he or she has a present intention to sell any Shares to the Company, or has undertaken not to do so, if the Proposed Repurchase Mandate is exercised.

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert, depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code. Save as aforesaid, the Directors are not aware of any consequences which would arise under the Takeovers Code as a result of any repurchase of Shares pursuant to the Proposed Repurchase Mandate.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, each of Boyce Limited and Capevale Limited, both of which were incorporated in the British Virgin Islands, was interested in approximately 32.04 per cent of the existing issued share capital of the Company. Boyce Limited and Capevale Limited are the wholly-owned subsidiaries of Capevale Limited, a company which is incorporated in the Cayman Islands. HSBC International Trustee Limited (in its capacity as the trustee of the Trust) is the legal owner of the entire issued share capital of Capevale Limited (incorporated in the Cayman Islands). HSBC International Trustee Limited holds these shares under the Trust for the benefit of the beneficiaries of the Trust, including Mrs. Zhang. Mrs. Zhang is taken to have an interest in a total of approximately 64.08 per cent of the existing issued share capital of the Company. In the event that the Directors should exercise in full the Proposed Repurchase Mandate, the shareholding of Mrs. Zhang in the Company will be increased to approximately 71.20 per cent of the issued share capital of the Company. To the best knowledge and belief of the Directors, such increase will not give rise to an obligation to make a mandatory offer under the Takeovers Code. The Directors have no present intention to repurchase the Shares to the extent it will trigger the obligations under the Takeovers Code for Mrs. Zhang to make a mandatory offer.

The Listing Rules prohibit a company from making repurchase on the Stock Exchange if the result of the repurchase would be that less than 25 per cent (or such other prescribed minimum percentage as determined by the Stock Exchange) of the issued share capital would be in public hands. The Directors do not propose to repurchase Shares which would result in less than the prescribed minimum percentage of Shares in public hands.

SHARE REPURCHASE MADE BY THE COMPANY

No repurchases of Shares have been made by the Company in the six months prior to the date of this circular (whether on the Stock Exchange or otherwise).

SHARE PRICES

The highest and lowest prices at which the Shares have been traded on the Stock Exchange during the 12 calendar months preceding the Latest Practicable Date were as follows:

| Month | Highest prices HK\$ | Lowest prices HK\$ |
|---|------------------------------------|-----------------------------------|
| 2010 | | |
